## Chocolate Wonder Bar

**THE WILLY WONKA OF ARLINGTON**, Jason Andelman, has switched from solely peddling his wares to other shops to opening his own: Artisan Confections (4851-B Lee Hwy.; 703-239-0616, [artisanconfections.com](http://artisanconfections.com)). Swing by the boutique to pick up his signature orange box of sweets (\$22, above), decorated with local artists' designs in cocoa butter. Flavors include salted butter caramel and cinnamon honey. Next month, watch for new bonbons, including lemon hazelnut and a haute twist on peanut butter and jelly.
